## Fantastic!! Matt and Patti did a phenomenol job.

I was very pleased in choosing Matt and Patti to perform for my resident during National Nursing Home Week at Carmel Health and Living.

Matt and Patti were referred to me by a fellow activity director and highly recommended for our venue.

Matt and Patti arrived before their scheduled performance to ensure timeliness of our event. Matt, of course, sang many Sinatra songs very well. Marilyn tickled the audience with her antics as well as sang "Happy Birthday Mr. President" to me. (It so happened to be my birthday, haha) They have their own sound equipment which gives a nice professional impression. Matt was a hit with our ladies and Patti turned the heads of our gentleman residents. Their "costuming" was spot on! Frank was quite dapper and Marilyn was dazzling. Very entertaining!!

Their interaction with my residents was incredible. The residents really felt like part of the show.

I would definitely hire Matt and Patti for another event as well as recommend them to others. Their fee is reasonable and I found Matt to be very accommodating for a limited budget.
