

JACLYN MADILL TESTIMONIAL

WHEN JACLYN TOOK ON HER JOB AS GM OF THE MERCY HEALTHPLEX FACILITY
IN WESTERN CINCINNATI OHIO, SHE HAD A LARGE UNDERTAKING IN FRONT OF HER,
AND CAME THROUGH IT LIKE THE PRO SHE IS.

PART OF HER WORK INVOLVED PLANNING A MARKETING AND PUBLIC RELATIONS EVENT TO GAIN PUBLICITY AND NEW
MEMBERS FOR THEIR NEWLY REBUILT MAKEOVER OF A FORMER HOSPITAL SITE.
SHE HAD NEVER HIRED A BAND BEFORE BUT MATT SNOW AND THE CASINO PLAYERS ENSEMBLE
MADE HER JOB A LOT EASIER, AND THE NIGHT WAS A HUGE HIT!

WOW!

Matt Snow and the Casino Players created an ambiance for our event this past Friday that was well beyond my expectations. They were EXACTLY what I wanted for this special day.

Also, Matt was a great help in the planning of the event, which I needed as this was the first time I had ever hired a live band! His entire team showed up well in advance of our soiree to make sure that everything was perfect and it really was.

They are a true class act, right down to the tuxedos, but most importantly in how personal they are. They also served as our MC for the evening and were funny, professional and courteous to all.

Finally, coming from a Frank Sinatra fan, I have to say this band is incredibly talented!!! They truly made my night!!

I just can't wait to have another event so we have an excuse to bring them back in!!
