"Words cannot express how happy we were with the amount of help Matt gave us leading up to our event and the great performance that was put on display at our wedding reception. He was timely, professional, accommodating, always willing to give advice and most of all an amazing performer. I would recommend him without a second thought to anyone who is looking for a live band performance for their gig. I think my grandmother summed it up best when she told me afterwards, "That was the most fun I have ever had at a family event and I think the performer could not have been any better, he was absolutely fantastic!!"
