

SENIOR SERVICES CELEBRATES THE BIG 5-0

Community Recorder

Kentucky's first senior center, Senior Services of Northern Kentucky, celebrated 50 years of operation last month.

To commemorate the half-century mark the Time Flies When Mak-

ing a Difference gala was held at Receptions in Erlanger on Dec. 4. It raised \$50,000 in donations for the organization and was hosted by Rockin' Ron Schumacher from WGRR-FM (103.5).

Since opening in 1962, Senior Services of Northern Kentucky has

served seniors at 10 locations in eight Northern Kentucky counties.

Programs such as Meals on Wheels, transportation, wellness, advocacy and protections are available through the service to assist seniors in remaining in their own homes.
