Hi Matt I just wanted to tell you how wonderful you were I could not have hoped for anything better. And your wife was wonderful also helping out wherever she could. Please thank her for me I didn't get to thank her in person. I felt bad though because you were so good I would have just liked to sit and watch you perform but everyone was talking and I had to go and mingle. I know that is probably what you are used to but you put on such a great show I felt bad when everyone was talking. My mom loves to talk to people that is why she goes to the grocery store not to buy anything but to talk lol. But she absolutely loved your show and how you basically serenaded her. She thought she had her own personal Frank Sinatra lol. But you were awesome and I would recommend you to everyone. Everyone there thought you were amazing. Thanks again for an awesome show. I will definitely fill out the rating info. Thanks Lori
