

NIMISH PATEL TESTIMONIAL

Nimish and his family held the Grand Opening of their newest venture, The Elizabethtown Hilton Garden Hotel on November 29 2018.

It was well attended by many local business and other leaders in the community, and was a Smash Success!

They Hired The Casino Players Ensemble, which provided the Nation's Longest Running Most Booked Frank Sinatra Tribute Act, Matt Snow, who provided the sound equipment, entertained the crowd and helped with the announcements all evening.

A good time was had by all, and a great start to the Holidays!
