

**When Doug and Emily Seedle wanted to create special moments for their reception, they wanted certain songs played at certain times, mostly with a live band, since, as musicians themselves, they had a disdain for recorded DJ-Style events. For this reason they selected Matt Snow and The Casino Players Little Big Band to produce and direct the entertainment for their fabulous five hour reception in the Emerald Ballroom at the Madison Event Center in Northern Kentucky. Mission Accomplished!**

Matt went above and beyond our expectations. We were able to sit back and enjoy our reception because he made sure that everything was taken care of. He accommodated even our strangest song requests! Everyone had a great time and we will remember that night for the rest of our lives. I have never been involved in a smoother operation! So many thanks to him and the Casino Players.
