

Professional Recommendation for Matt Snow's Entertainment Services at our annual Make-A-Wish Fundraiser on March 5<sup>th</sup>, 2011, held in the Presidential Ballroom at the Westin Hotel in Downtown Cincinnati, Ohio:

Matt was able to come on board with our existing event vision and not only enhance it but really breathe life into it.

His excitement about the project and the mission of the Foundation was incredible and it showed from our initial meetings and throughout the event.

Matt offered guidance and expertise in all aspects of the evening, all the while remaining focused on the guests and pleasing the crowd - which he did wonderfully!

I think Matt was a true asset to our event and would recommend him to any other organization or individual.

He's capable of meeting the needs of any crowd, and/or event!
