

MIKE AND PAM FERRENTINO TESTIMONIAL

December 2, 2012

Matt,

Thank you for playing at our 38th Wedding Anniversary.

My wife was Verrrry Surprised and happy. She kept saying to me, "I love that song!"

I will do everything that I can to have you back at the Speedway Moose Lodge in the near future. I don't think that will be hard because all of the members want you back for the whole night. They loved your music and the show.

GREAT JOB,

Mike and Pam Ferrentino
