Memorable Moment

Words can't express how great Matt Snow (Cincinnati Sinatra) was to work with and have do our special occasion. When I reached out to him I was a bit reluctant to think if it was going to be a good fit for my wedding proposal. Matt immediately turned those thoughts into comfort and excitement. He is incredibly gifted and gave us a gift we will remember forever! We spoke several times leading up to the day, he was always quick to call back when he said he would and had some great recommendations to make our night special. The date came and I was worried about everything, but when I saw Matt, I knew I made the right decision. He was prompt, dressed the part, and has a very welcoming personality. If you're looking for someone to give you a lifelong memory, look no further, Matt Snow was incredible!
