Client Comments

"Frank" and "Marilyn" were superb!

Matt and Patti were a tremendous hit at our convention; our guests thoroughly enjoyed them. They arrived well in advance of their scheduled appearance, set up their equipment, met with me for a final overview of the evening's events, then were dressed and ready to greet our guests as they arrived to enjoy cocktails before dinner. "Frank and Marilyn" mixed and mingled with the crowd during happy hour -- the attendees were both surprised and delighted with this personal touch. As the cocktail hour wound down, Matt began the musical entertainment which lasted through much of the formal dinner. His music style was a huge hit with this age group and created a relaxing atmosphere for the dinner. It was a pleasure to work with Matt on the arrangements for entertainment. He's so very personable, yet efficient and professional in his communications regarding the details of this event. I would highly recommend him to others who are seeking entertainment for an event, and I would certainly not hesitate to call on him again for future events that I might be planning. Matt and Patti are just delightful folks.
