## ANNETTE'S EXPERIENCE AT ARDEN COURTS OF KENWOOD

"My mother has been a resident of Arden Courts of Kenwood since August 2012. In that time, she has been blessed to be in the care of Janice, along with so many other caregivers for whom their work is a labor of love. Janice is gentle and caring. She manages each resident's routine with expert care.

Arden Courts also hired Becky who enthusiastically bonds with each resident. Every time I visit, I observe how she manages to discover and connect to the life of the individual resident.

A few months ago, Becky took note of my mother's love of Frank Sinatra songs. Early on, when mom was transitioning, the caregivers knew to turn on the CD player with Sinatra songs. Most who came to know mom have witnessed how she brightens up when Sinatra sings. Becky located Cincinnati's Sinatra, Matt Snow, who performs worldwide and secured an engagement for him to perform at Arden Courts. The Sinatra performer sang for an hour. My mother sat front and center, beaming throughout the entire show, occasionally singing a line or engaging with Mr. Snow.

I have Becky and Janice to thank, as well as the entire staff at Arden Courts. Their essence of caregiving never goes away." - Annette, daughter of an Arden Courts resident
