With the release of a special Jack Daniel's 'Sinatra Select' label, The Lodge at Buckberry Creek and Alzheimer's TN invite you to come and remember Sinatra; his life, music, and the things he loved...

*Friday* – Go back in time to a Supper Club with food and drink selections from the 'Rat Pack' era, a preview of benefit silent auction items, and music of Ol' Blue Eyes' friends Sammy Davis, Dean Martin & others. Ala carte menu and cash bar.

*Saturday* – Continue on Saturday celebrating Frank's favorite drink (Jack Daniel's) with afternoon whiskey school, followed by a sumptuous 5-course dinner with wine and drinks, and accompanied by tribute artist Matt "The Cincinnati Sinatra" Snow crooning Sinatra's greatest hits. The evening will highlight a silent auction, including at least one bottle of the very limited 'Sinatra Select' labeled Jack Daniel's, all to benefit Alzheimer's TN.

*Save the Date* – Tickets for just the Saturday festivities are \$267\* per couple. Packages with accommodations, meals, and much more at The Lodge at Buckberry Creek are available from \$453\* per couple and up. Join us for both nights, including dinners, drinks, whiskey school, hot breakfasts, late check-out on Sunday, and much, much more starting at \$743\* per couple.

\*Prices are per couple and do not include taxes or gratuities. Prices quoted including room night(s) are double occupancy and are for a Lodge Suite. Gallery and Grand Suites are higher. Reservations are required.
